Utilizing Neuro-linguistic Programming to shift limiting beliefs affecting career and life

★ Manager to Leader Transitions

Strategic approach to career and personal development for clients

WHAT CLIENTS SAY

"I have had the privilege of working with Jennifer both at Microsoft, and as an executive coach. In the business world, Jennifer is a respected, experienced, and authentic leader known for delivering high-visibility, high impact results. As an executive coach, she provides the same high caliber approach, asking thoughtful questions that force you to think outside of the box and outside of your comfort zone, and provides you with tools to reach your goals."

Juzen Ruelos, Senior Manager Symantec
